

2010
National Blue Ribbon School

Ste Jeanne d'Arc School

Annual Fund 2011

Achievement -
something accomplished, especially by superior
ability, special effort, great courage, etc.

We are very proud of our students' efforts in achieving the 2010 National Blue Ribbon Award. As much as this award means to all of us at Ste Jeanne d'Arc School, it would not be possible without your past and future support. An Annual Fund donation adds to all that we do from an operating budget perspective to textbooks, technology upgrades and programs that enhance the student experience. Our Vision is to be one of the top elementary schools in New England. We have surpassed that goal by becoming a recipient of this national award. Where do we go from here? We still have a lot of work to do in providing our students with the top-notch education that is synonymous with SJA. We are aware of the commitment, time and dedication it takes to succeed in a challenging academic environment such as ours. Our promise is that our students will continue to learn in an environment that nurtures them as individuals, pushes them intellectually, and prepares them socially, morally and ethically for the real world. We invite you to continue to support our students as they become contributing members of society. Your gift will prepare them for life's triumphs and challenges as many generations have done before us. Our commitment form is enclosed for your gift.

Thank you for your support!
