Father's Cell: _____ Father's e-mail: _____

Child living with: _____ both parents _____ mother only _____ father only _____ guardian

K1 (four-year-old program) Five Day Program

K-7 Grade _____ Present school (if entering grades 1-7) _____

If changing schools, please indicate your reasons (moving, financial, etc.) _____

Why have you decided on Ste Jeanne d'Arc? (recommended by family/friends, school's reputation, etc. – please state your reason) _____

You will be notified of official registration date by mail. At the time of registration the school's curriculum, discipline program, policies, tuition payment plan, dress code, etc., will be explained in detail.

Kindergarten students must be five years old by September 1, 2012. Students who will be five after September 1, 2012 may apply for admission and will be evaluated on a case-by-case basis if space is available.

Students are accepted on a space-available basis following our re-registration of current families in January. Those on the waiting list are then notified if they can be accepted for enrollment. Students entering grades 2-7 must also submit most recent report card, results of standardized test scores and a writing sample (composition) with this application. Applications are not complete until these materials are submitted.

This certifies that I have read and understand the terms of admission to Ste Jeanne d'Arc School, and that having given my child's name for the 2012 - 2013 school year does not guarantee admission.

Signature _____ Date _____

If parents are graduates of SJA, please indicate year of graduation: Year _____
