

Ste Jeanne d'Arc School
The Journey Begins

Tuition Gift Certificate Request

Need a gift idea? Many times grandparents, aunts and uncles or relatives of our students have asked how they can make a contribution to the tuition of members of their family. We are pleased to offer a gift certificate program which allows relatives and friends to give the gift of Catholic education to one of our students. We have SJA Gift Certificates which can be purchased in any denomination. These make great gifts for any occasion for both the student or his/her parents: a child's birthday, a Christmas stocking stuffer, anniversaries, a special occasion such as a First Communion or any occasion.

If you know a child who attends Ste Jeanne d'Arc School and would like to make a contribution to that child's education, the process is simple: just complete the coupon below indicating the amount of the gift and return it to the school with your payment. A gift certificate in that amount will be mailed to you. You may then present the card as a gift to the student or family of your choice. When they redeem the gift certificate as part of their tuition payment, their account will be credited for the full amount of your gift.

We hope that this program will help your family members and friends who value Catholic education the opportunity to give a gift they know will continue to grow.

If you have any questions, please call the Advancement Office at 978.454.7038.
